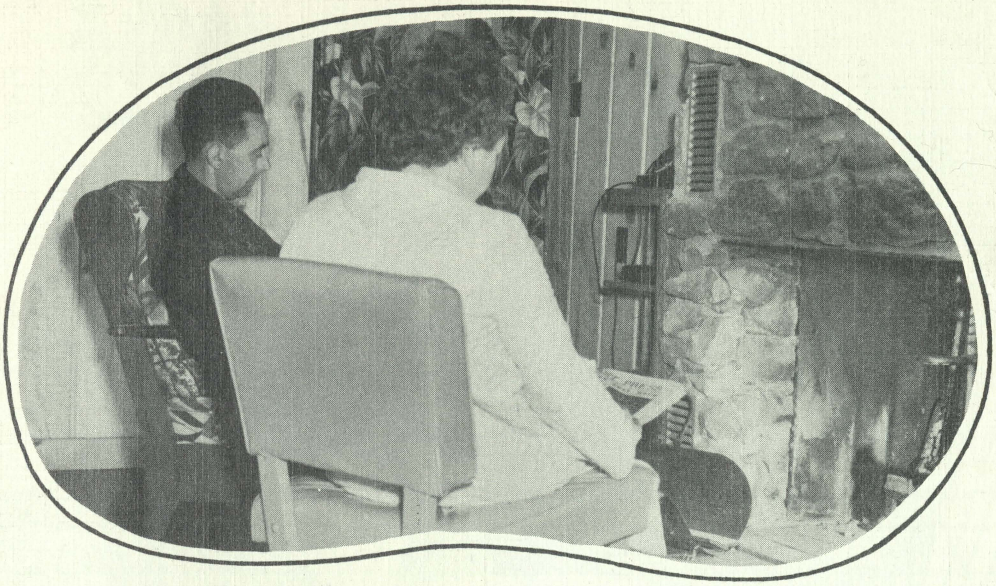
Dedication



We pause near the end of our high school days----And clasp the treasured hand which has guided us thus far----We lift our hearts and voices in a song of praise--------To honor you, our parents, for love, for faith, for principles--Imbued in us from birth, for all that builds us----gifts from you-----------------------

Oh! That we prove our worth!

Principal's Message

The world is placing its future hopes in you to do a much better job than the generation preceding you. We place in your hands the hope and responsibility of bringing order out of extreme social and economic chaos. Upon your shoulders rests the possible survival of the principles underlying a democracy.

I have faith in the future because I believe that you, the new generation, with your ideals and courage will find a solution to these problems.

I wish for the class of 1953 the greatest of success and hope that you will look back upon your life at the Lord Baltimore School with a feeling of happiness.

Fred Graef

CLASS POEM

Farewell to the school where
we broke many rules and caused
our teachers pain.
The study hall desks and the
office bench,
shan't see our like again.
We join the Alumni Big Parade,
But never will we forget the
friends we've made and the
happy past of a perfectly
Normal Senior Class.

We raise aloft a shout of cheer
To the class that topped them all,
The envy of Juniors--the model for
Sophs,
Who entered the school last fall.
On court and field; in studies, too,
We met the challenge and carried
it through.
We reached the goal, without flurry
or fuss
So Here's To Our Senior Class.

You won't find a class where the
girls are prettier,
You'll wait a long time for some
fellows wittier;
So, here's to four years and their
memories, and if we fell short,
Excuse it please!
We face the future armed with brass!
For we've tried to be a first rate
Senior Class.

To the games we've won and the
times we've lost.
Triumph and Failure,
Laughter and Tears;
A pride in the wonderful pattern
fate wove,
Of the warp and woof of these
happy years!
Thanks for a heartful of memories.
Thanks to our teachers who,
Endowed with patience from heaven
knows where,
Saw us safely through.

We pledge you a toast
On these last days together.
Now as on our way we go
May we face, stout-hearted the
changing weather.
On the seas of the world, where the
storm blasts blow-
Secure in the knowledge that high
on the main mast,
Old L. B. Banner is flying still
Courage, stout fellows!
By walking together,
We'll brave the worst of it,
Come what will!

ALMA MATER

Now we sing our Alma Mater
For the school we love so well
Baltimore, your memories linger
As your loyal students tell.

All the days we spent together
Make us love you more and more
Baltimore we love your classrooms
Where we pondered o'er and o'er

Years may dim our recollection
But we'll ne'er forget thy name
Though you walls may fall and
crumble
We will love thee just the same.

(CHORUS)
Alma Mater, Alma Mater
This our song we sing to thee
Baltimore we hail your colors
Green and white shall always be.

Senior Class History

It has often been remarked that history has a pecular way of repeating itself, and so to a certain extent the history of this class is much like the history of classes which have gone before, and of others which will follow.

So remembering that to so many people, history is a rather dull subject except to those who have taken part in it personally, the historians of the class of 1953 will strive to be as brief as possible, and to touch only upon those subjects which are of significance not only to the class but to others.

For various reasons, the members of the incoming class of September, 1949, represented, we believe, a particularly promising group.

Early in our freshman life, a class organization was formed and the following officers selected for class leadership. Thus Hal Hudson became President; Vernon McCabe, Vice President; Bernice Long, Secretary and Kenneth Turner, Treasurer.

In point of scholastic attainments, our class did not lag behind other classes. Indeed we have lighted many beacons by the wayside, the lights of which are bound to shine afar. Even though we were very young at this stage of the game, we were not without some responsibility and social life. In this year we enjoyed a Valentine dance and a benefit movie.

This would appear to be almost enough, but it does not complete the telling of the story by any means. Before we realized it, final examinations were being given and we received our passports in the form of report cards for the Sophomore Class.

At the beginning of our Sophomore year several members of the class did not come back. Some stopped to go to work while others were lured away by outside interests.

Soon after school started we found ourselves occupying the Sophomore strongholds of the previous year. Our class officers were Hal Hudson, President; Frank Munoz, Vice President; Joyce Murray, Secretary and Gerald Layton, Treasurer. We undertook many activities this year, but the largest and most successful was our "Chicken and Dumpling Dinner." We were made happy with the large number in attendance and with the many compliments which we received. With Mr. Mitchell as our advisor it had to be the best! Other activities were the St. Patrick's Dance and our benefit movie.

We added two new members to our group in the persons of Shirley Card and Frank Munoz.

Finally after several months of struggling through our classes, we arrived at our next station---- Junior Year.

In September 1951 we returned feeling rather sad because we had lost our advisor whom we all loved---Mr. Virdon Mitchell. Once again he heard the Call of "Uncle Sam" and rallied to it. Early in the year we held a Class meeting under the direction of Mr. Henry Harbage to elect the following class officers: Hal Hudson, President; Gerald Layton, Treasurer; Donald Powell, Vice President and Joyce Murray, Secretary. During this year we had several movies, two dances, a bake, and last but not least, another Chicken Supper with Mrs. Joines acting as chairman, ably assisted by our parents. She proved to be a rather hard task master, but we did our best with a smile, little realizing that she would be our advisor next year.

As is always true, the "Junior Prom" was the highlight of this year. On May the sixteenth, in a beautifully decorated gymnasium, we danced to the "heavenly music" of George Madden's Orchestra. The echoes of that dance are still ringing in our ears. What a fine time we all did have!

But in another sense it was sad to think it was our farewell to the Seniors. Our final good bye to them came with the "Daisey Chain" which we carried to the SENIORS on that memorable night, June sixth, Commencement. Remember!

Believe it or not, in September, 1952, thirty-two happy Seniors entered these "Old Halls of Learning." Mrs. Joines was appointed our advisor, much against her better judgement and ours too. Our number soon dropped to thirty. Two of our boys decided to spend this year with Uncle Sam.----Bobby Vickers and Dick Ewing.

Many headaches we suffered preparing our Yearbook, Class Night exercises and Commencement.

Socially, our activities, consisting of two movies and a Christmas Dance, for which Mr. Bant's Orchestra furnished the music, have been all that was wise for us to undertake without infringing upon study hall, laboratory and workshop or our more serious business of classroom.

During our life in the old halls and in the fine new buildings of our beloved campus, we have given a gift of one-hundred dollars toward the purchasing and installing of a television set.

All too soon the time came for making Commencement plans. As all good things must come to an end, so our class must separate, but each member will, we hope, carry with him those traits, accomplishments and influences that Lord Baltimore High School has given him. May each of us follow the ideals and standards our Alma Mater has set for us. May we all find the lasting satisfactions which life well lived is bound to hold.

The curtain is going down on the history of the Class of 1953, but in reality, the "Big Parade" is just commencing. The bugle calls----forward march.

Last Will And Testament

Class of 1954, the right to sing in the halls any time during the day together with ten packages of throat tablets and a megaphone.

For the Sophomore Class, a locket containing a list of our mistakes as a class, and a large trunk containing the records of our scholastic, athletic, social and individual attainments.

For the Freshmen, our class picture for their inspiration when the way seems hard and long.

For the Faculty, an engraved testimonial signed by the doctor, to the effect that we have come through four years of struggle with an unexcelled record in the matter of heart action, cranial expansion, weight reduction, and synthetic complexions.

To the school board, a large barrel of sparkling gratitude from the deepest wells of memory, and kept cool and refreshing by large chunks of cold common sense supplied by Mr. Graef.

To the ladies who work so hard feeding us, we leave a large vinegar jug full of salt tears shed by us when we think of eating stew prepared by anyone else.

To the custodians of our building, we leave a rake and a mop to replace what they have worn out cleaning up after us.

To our school nurse we leave a composite photograph of our tongues, together with a new book of jokes so that the infirmary patients might enjoy themselves until 3:30.

Joyce Murray leaves the sweaters left to her last year to her sister, Janice.

Gordon Wood leaves his ability to wrestle with the seventh graders to Oliver McCabe. Hope you have better luck!

Bernice Long leaves her ability to be true to one man only to Ruth Burbage.

Take a high view of things

Some schools instinctively set their sights high, for them, Balfour Class Rings, Commencement Announcements, Club Pins, Medals and Trophies are custom made.

They are high in style, craftsmanship, and prestige.

They are high, also in the esteem of people who judge on merit.
